A LETTER FROM THE PRESIDENT: TO THE HORSEMEN OF MARYLAND,

This spring the members of the Maryland Horse Breeders Association did me the honour of electing me their President and to assist me in the task before me they elected at the same time the officers named above, as well as a Board of Directors whose names appear elsewhere in this paper. The Board in recent session decided that it was time that some means of disseminating knowledge and valuable information among the horsemen of the state be found, hence The Maryland Horse. It is the aim of myself and the Association in general that we shall so strengthen the position of the horsebreeders of the state that we shall be accorded the amount of notice that is our due. We hope to carry on the work of the Association in many different ways, among them being, by co-operation with the Live Stock Sanitary Board, the improvement of the health in general of our farms and the spread of knowledge of preventive measures to combat such things as disease and parasites. We feel that not enough publicity has been given throughout the country to the excellent quality of horses of all kinds that have of late years been produced on Maryland farms. To this end we have appointed Mr. Humphrey S. Finney, of Holly Beach Farm, Annapolis, Director of Publicity for the Association and it will be of great satisfaction to me and the directors generally if all breeders will send direct to Mr. Finney all news of their horses and farms that from time to time they may wish sent out. It would be of great interest if all breeders would report the list of their foals of 1936, the yearlings they plan on breaking, the winners they breed and the horses they may sell or buy. Furthermore it is hoped that through this monthly bulletin, The Maryland Horse, the horsemen may advertise their wants, be they employes or horses. If you have something to sell, try to sell at home through these pages.

The value of a publication such as this hopes to become depends entirely upon the support accorded to it by the horsemen themselves, and they are notoriously slack about doing anything for their own ultimate benefit. I myself feel very strongly that as large a business as the horse industry of Maryland is it should support its own little publication. By the horse business I do not simply mean the Thoroughbred industry, I mean every kind of horses. It is well to understand that the Directors of this Association are very much in favour of the representatives of the draft horse industry as well as the hunter men and those interested in the breeding of polo ponies, trotters and mules being members of this group. Plans are in the making for a revision of the Membership rules so that adequate provision shall be made for all these groups.

In closing it is my wish to impress upon all who may read this paper that the motto of this Association must be twofold, Unity is Strength, and Mutual Service.

Yours for more and better horses,

CHESTER F. HOCKLEY, *President.*

Vanderbilt First Large Yearling Buyer of '36

Alfred Gwynne Vanderbilt, youthful sportsman who maintains the Sagamore Farm in the Worthington Valley, this month received from Kentucky and Virginia an addition to his yearling band in the shape of eleven colts. The result of a three-week visit throughout the farms by the Vanderbilt veterinarian, Dr. C. R. Richards, these colts are reported by competent critics to be as fine a lot of prospects as ever entered the confines of the Old Line State. They will join the large band of homebred yearlings that Paul Weaver, assistant to Chief Trainer J. H. (Bud) Stotler, will soon put into training on the fine six furlong track at Sagamore. The list of the colts follows:

Gr. or ro. by Reigh Count-By Play by Luke McLuke. Bought of Thos. Piatt, Lexington.

Bl. by Kiev-Secret Lady by King James, from Thos. Piatt.

Br. by *Justice F.-Tuscaloosa by Chuctanonda, from Alex Gordon, Lexington.

Ch. by Victorian-Sly Glance by Fair Play, from Ed. Thomas, Paris.

Br. by Cohort-Sister Theresa by Traprock, from Ed. Thomas (half brother of Follow On).

Br. by Hi-Jack-Spring Fashion by *Light Brigade, from W. C. Goodloe, Lexington.

B. by Victorian-June Rose by Myram, from the Mason Foundation, Lexington. (Half brother of Brown Bud).

Ch. by Victorian-Mormaw by Fair Play, from the Mason Foundation.

From Audley Farm at Berryville, Virginia, came the following three colts:

Br. by *Bright Knight-Ethel Gray by Hessian (brother of Gallant Knight).

B. by *Bright Knight-Rock Haven by Trap Rock.

Br. by *Twink-Wigwam by Polymelian.

To Those Whose Consciences Are Pricked by Arrears of Dues to M. H. B. A.

At the recent meeting of the Board of Directors it was decided that in view of the attempted regeneration of the Association, despite the fact that many members were in arrears in their dues, payment of the 1936 dues would reinstate any member into the full privileges of the Association. It is accordingly hoped that all those who are already members will attend to this small matter of the dues of $5.00 for the year 1936. Mr. Charles W. Williams, of Stadacona Farm, Glyndon, Maryland, Secretary and Treasurer, will be glad to receive these at any time.

Do not forget to register your 1936 Maryland bred foals. See C. W. Williams about it.

Dealers, Attention

The attention of all dealers in feed, stable equipment and other commodities of use to horsemen is drawn to The Maryland Horse as a means of advertising their products right where they are used. It is hoped to build up the advertising department of this magazine to the point where horsemen will know at once the best places to go to fill any of their wants by turning to the advertising section of The Maryland Horse. Let's all get together then and you horsemen who read this tell your dealers they are missing something if they do not join us.

Maryland Horse Breeders Association to Sponsor Heiser Memorial

The Maryland Horse Breeders' Association has sponsored the plan to hold a race to be named The Charles L. A. Heiser Memorial to be held at one of the State's mile tracks this Fall. President Hockley has conferred with representatives of the tracks and it is expected that definite plans for the race will shortly be announced. It is a fitting tribute to the man who guided the helm of the Association through the first seven years of its growth, and who did so much in the past towards the placing of races for Maryland bred horses on the tracks' cards, that his name should be carried on in connection with a race at the tracks where he was always to the front for the Maryland horsemen.

Recent Maryland Bred Winners

While no attempt has been made up to now to keep a check of any kind on the winners at the big tracks which have been bred in Maryland, such a compilation will be made after July 1 and month by month we will tell our readers what they have done in this respect. We hope that the breeders themselves will not be backward about letting us know when any of their horses do anything out of the ordinary in the racing line. Recently there have been several winners from the Sagamore Farms, by Balko; from Wm. Elder's Merryland Farm, by Bud Lerner; from Holly Beach Farm by the dead *Sir Greysteel and Happy Time and there is a mighty nice youngster from Branncastle Farm by *Challenger II which is winning stakes in the West.
